As an attorney in private practice in Midtown Manhattan for more than 15 years, Varvara M. Gokea provides a wide range of estate planning services to clients throughout the New York City area. Ms. Gokea creates personalized estate plans that enable families to preserve their wealth and pass in on to the next generation while providing for the financial security of their loved ones.

She was born in Eastern Europe, Romania, arrived in New York City in 1983 as a political refugee, and received her Juris Doctor degree from Delaware Law and New York Law School.
